

Greetings, as your new President/CEO, I look forward to lead our outstanding Taylor Credit Union staff and membership. For those of you who don't know me, I'm Dan Krause. Prior to joining Taylor Credit Union, I worked in the local financial market for over 30 years.

Over my financial tenure, I have earned my Bachelor's degree from UW-Eau Claire and most recently completed the School

of Bank Management from the Wisconsin Banker's Association, Graduate School of Banking from UW-Madison, and received a Certificate of Executive Leadership from UW-Madison.

My family is deeply rooted in the Taylor and Clark County region, being native to the Westboro and Medford communities. Outside of my daily routine, my family is active in various community organizations. My kids have been active in the Taylor County 4-H program along with extracurriculars and sports in school. I currently serve as a board member and executive committee member on the Clark County Economic Development and Tourism Bureau, a member of the Clark County Revolving Loan Fund committee, volunteer with the Taylor County 4-H Youth Leadership Organization, and a member of the Village of Dorchester planning commission.

As we welcome 2024, I just want to say thank you to all of you who have welcomed me to the credit union and look forward to serving you this next year. My goal is to continue providing a full range of financial services for individuals and businesses. Taylor Credit Union continues to offer very competitive products including our home and land loans, in addition to our auto and recreational vehicle loans. We truly are "Passionate to see you succeed through your life's journey."
